Please contact Nancy Russo, Director of Member Relations

How do you take advantage of your membership? You may open your membership by making an appointment with membership at 239-596-0647 after your closing or interest in a non-resident membership. At this time, schedule an appointment for a membership orientation which includes: application, photo ID cards, vehicle bar codes, and a packet of information for you to take home. If your purchase was a mail-away closing, we will fax over the application to you for your convenience and you may schedule an appointment for the ID cards and bar codes to follow when you arrive.

Your "Welcome Packet" is provided with our member orientation to help you acquaint yourself with the club and the many benefits of your membership. We hope that you will enjoy your membership for many years to come.
